

CALVIN Community

ANNUAL REPORT 2017

Our mission is to provide, on a non-profit basis, services to older adults in a caring, Christian community designed to meet their physical, social, spiritual and psychological needs and contribute to their health, security and happiness.

Dear Friends of Calvin Community,

In 2018, Calvin Community will experience its 54th anniversary of serving seniors! When the ground breaking took place in June of 1964, I can only wonder if those early “pioneers” in attendance could begin to imagine the thousands of lives that would be wonderfully impacted over the next 54 years.

Much has changed since the early years of Calvin - campus expansions, more options for levels of care, more time and energy spent satisfying regulatory requirements, and many, many new friends along the way. However, the one constant over the years is our Christian faith basis in all that we strive to do. During the past years, and as we look to the future, we recognize that it is not by our own strength that we perform our work each day, but it is by God’s leading, enabled by His power.

We are mindful that you have plenty of opportunities today to give. Why give to Calvin Community?

As a faith-based, not-for-profit organization, Calvin Community invests solely in the care of our residents. It is our mission at Calvin to take care of our residents, even when their health care needs increase and their financial means are exhausted. When you make a financial gift to Calvin Community’s Foundation, you are supporting our residents by providing financial support to those faced with limited resources, enhancing staff professionalism, and funding necessary capital projects.

As I consider the solid foundation that has been laid by Calvin’s supporting financial donors, churches, volunteers, boards of directors, employees, and of course - residents and their families, I know that Calvin Community can confidently face whatever challenges the future may bring. To God be the glory for all that He has done - and will continue to do!

Thank you!

Mark A. Teigland
President/CEO

DONOR LIST

It is with a sense of gratitude the following individuals, organizations and businesses are recognized for their financial contributions made to Calvin Community during 2017.

This support assists in providing the best possible environment for those individuals calling Calvin home. Thank you for making a difference at Calvin Community.

These listings include cash gifts received during Calvin Community's calendar year, January 1, 2017 through December 31, 2017. Cumulative gifts are acknowledged on the "Calvin Community Circle of Giving", a donor recognition plaque located inside the front door of Calvin.

GOOD SAMARITAN FUND

It is our charitable philosophy at Calvin to take care of our residents, even when their health care needs increase and their financial means are depleted. The Good Samaritan Fund was established to help residents meet their financial obligations. Annually this care represents a cost to Calvin of more than \$500,000.

With the rising costs of health care, there are an increasing number of residents who have depleted their finances and need monetary assistance. When you make a financial gift to Calvin's Good Samaritan Fund, your contribution is used immediately to assist our residents in need.

CAPSTONE CAPITAL CAMPAIGN

A vision to complete the revitalization of Calvin Community.

To put our facilities on par with our standard of excellent care, we have invested more than \$3,500,000 in campus improvements over the past several years. While we have made great strides, there are still areas where we need to expand services, improve our care environment, and enhance the overall quality of life for our residents. That’s why we embarked

on our “Capstone Campaign,” a plan to invest in Memory Care capacity, the Health Center, and a meditation Chapel. Thanks to the donors listed below, as of December 31, 2017 we have raised through donations and pledges \$306,600 towards our \$500,000 goal.
